SECTION 1 DEMURRAGE	SECTION 1 DEMURRAGE
<p align="center">ITEM 400 CARS HELD FOR LOADING</p> <p>On a car held for loading, the number of demurrage days shall be the number of twenty-four (24) hour periods (including fractional periods) between the events described below:</p> <ol style="list-style-type: none"> 1. On a public delivery track, BETWEEN the first 12:01 AM following notice to the consignor that the car has been placed or 12:01 AM on the day for which the car was ordered to be placed, whichever is later, AND the time this railroad receives forwarding instructions (see Exception 1). 2. On a private track switched by the consignor, BETWEEN the first 12:01 AM following actual placement on the interchange OR the first 12:01 AM following notice of constructive placement if actual placement cannot be accomplished OR 12:01 AM on the day for which the car was ordered to be placed, if later, AND the time this railroad receives forwarding instructions following return of the car to the interchange (See Exceptions 1 and 2). 3. On a private track switched by this railroad, BETWEEN the first 12:01 AM following actual placement OR the first 12:01 AM following notice of constructive placement if actual placement cannot be accomplished, OR 12:01 AM on the day for which the car was ordered, if later, AND the time this railroad receives forwarding instructions (See Exceptions 1 and 2). <p>EXCEPTION 1 - If a car is found at origin to be improperly loaded or overloaded, demurrage days shall continue to accumulate until the load has been corrected.</p> <p>EXCEPTION 2 - On reloaded cars, time will be computed from the first 12:01 AM following notice to this railroad that the car is empty and such notice shall be considered a release of the empty car. Where such notice is not given, the car will be considered an empty car held for loading for the entire time and no credits (see Item 700) will be given for release of an empty car.</p>	<p align="center">ITEM 500 CARS HELD FOR COMPLETE UNLOADING</p> <p>On a car held for complete unloading, the number of demurrage days shall be the number of twenty-four (24) hour periods (including fractional periods) between the events described below:</p> <ol style="list-style-type: none"> 1. On a public delivery track, BETWEEN the first 12:01 AM following notice to the consignee that the car has been placed AND the time this railroad receives notice from the consignee that the car is empty and available. 2. On a private track switched by the consignee, BETWEEN the first 12:01 AM following actual placement on the interchange OR the first 12:01 AM following notice of constructive placement if actual placement cannot be accomplished AND the time this railroad receives notice from the consignee that the car is empty and available on the interchange (see Exceptions 1 and 2). 3. On a private track switched by this railroad, BETWEEN the first 12:01 AM following actual placement OR the first 12:01 AM following constructive placement if actual placement cannot be accomplished AND the time this railroad receives notice that the car is empty and available (see Exceptions 1 and 2). <p>EXCEPTION 1 - When, because of congestion at destination, a car is held on constructive placement at a point short of destination and instructions to place the car for unloading are given by the consignee, the accrual of demurrage days shall be suspended the first 12:01 AM following receipt of such instructions and shall resume at the first 12:01 AM following placement for unloading. If actual placement cannot be made when the car is tendered upon arrival at destination, this suspension in accrual will not be allowed.</p> <p>EXCEPTION 2 - On reloaded cars, accrual of demurrage days on the inbound loaded car shall cease when notice is given to this railroad that the car is empty. Where such notice is not given, the car will be considered an empty car held for loading (see Item 400) for the entire time and no credits (see Item 700) will be given for release of an empty car.</p>

<p>ITEM 700 (Cont'd)</p> <p align="center">CREDITS AND CALCULATION OF CHARGES</p> <p>E. For each of the above transactions, charges will be calculated as follows: (Cont'd)</p> <p>4. If the total number of demurrage days exceeds the total number of credits, charges will be calculated as follows:</p> <ol style="list-style-type: none"> Subtract the total number of credits from the total number of demurrage days to determine the number of chargeable demurrage days. Multiply the total number of cars released by 2 to determine the "base chargeable days". The number of chargeable demurrage days up to the "base chargeable days" will be assessed \$30.00 per day and the number of chargeable demurrage days in excess of the "base chargeable days" will be assessed \$60.00 per day. In addition to demurrage charges, if the car contains a hazardous material, as described in Item 1200-series of this tariff, a charge of \$50.00 per chargeable day will be assessed. Credits (Non chargeable days) shall be the same as applicable on demurrage in paragraph A of this item. Chargeable days shall be calculated as provided in Items 400, 500 and 600 of this tariff. Calculations of charges will be performed separately from demurrages charges. If the total number of chargeable days exceeds the total number of credits, charge shall be the number of chargeable days X \$50.00. If credits exceed chargeable days, no charges are due. 	<p>ITEM 800 (Cont'd)</p> <p align="center">CLAIMS</p> <p>3. When because of strike interference at the point at which loading or unloading is to take place and such interference is for a period of more than ten (10) days in a calendar month, chargeable demurrage days accruing during such period will be assessed \$15.00 per day except this provision will not apply to inbound cars waybilled four (4) or more days after such interference begins nor to cars ordered for loading during such interference.</p>
<p>ITEM 800</p> <p align="center">CLAIMS</p> <p>Claims for relief from demurrage charges based on the following conditions may be sent to the Mgr. Revenue Accounting. Such claims must be in writing stating fully the conditions for which relief is claimed, identifying affected cars by number and must be received by the last day of the calendar month following the month in which the bill was issued. Claims may be filed only for the following reasons:</p> <ol style="list-style-type: none"> If through this railroad's error, improper charges are assessed, such charges will be corrected.
