ITEM 70-A

PAYMENT OF CHARGES

Customer shall be liable for payments of the transportation charges accruing on a shipment and nothing herein shall limit the right of the AM to require at time of movement, shipment or delivery the prepayment or guarantee of charges set forth herein, unless Customer has entered into an agreement for credit with the AM. Customer will pay AM immediately upon presentation of a bill therefor by AM. If charges have not been prepaid, or customer has not entered into an agreement for credit with AM, the AM will not accept shipment from customer, make delivery of shipment to customer or accept request for any other movement of car without payment or guarantee of all outstanding or current charges.

Acceptance of shipment by Customer shall be deemed acceptance of responsibility for payment of all charges accruing on the shipment, including, but not limited to demurrage, switching and all other charges that may be applicable. Such payment shall be in U.S. money and cannot be reduced to offset claims, damages to property, or for any other reasons.

FINANCE CHARGES: The AM may assess a finance charge of 1.5% per month (18% per annum) on unpaid bills, including, without limitation, demurrage, switching and all other charges which are not paid within credit period. The finance charge continues to accrue daily until payment is received by this railroad.

If AM, at its sole discretion, uses a collection agency or attorneys to collect delinquent bills for freight or other charges and AM is successful in collecting such charges, Customers shall reimburse AM for all reasonable collection costs, including reasonable collection agency fees and reasonable attorneys' fees.
